Report 2011–2016

At the 22nd International Byzantine Congress at Sofia, August 2011, the AIEB commission for the edition of Byzantine (historical) sources under the name *Corpus Fontium Historiae Byzantinae (CFHB)* had its last regular internal meeting.

At this occasion new members were elected; the current members of the commission are:

Theodora Antonopoulou
John Duffy
Wolfram Hörandner
Athanasios Kambylis
Foteini Kolovou
Riccardo Maisano
Emilie van Opstall
Andreas Rhoby (chair)

The commission's purpose is to plan, coordinate and evaluate CFHB editions projects. The commission's members are therefore in permanent contact. Once a CFHB project is suggested either to the chair or any other member of the commission, the commission members discuss (via e-mail) about the project's relevance for the series. Once approved, all further details concerning the edition of a CFHB volume, especially the contact with the editor(s), is the responsibility of the national series.

Further details about the CFHB commission are to be found at the AIEB website (<http://www.aiebnet.gr/en/>), s.v. Commissions.
